Phyl.
The Best of Luck
in everything you do.
You are really tops in girls.
I have really had a wonderful
time knowing you in R.D.H.S. &
D.H.S. Lots still be good friends
after graduation. Have fun.
Young "53"
Longman

Dear Phyl.
I hope you pull
through with the money,
but if you don't, I'll love
you anyway. Lots of luck
always.

Love Gail
(Larry Barnes)

Phyl,
Like every one else I want to wish
you the very best of luck in the
future, but I think I mean it a
little bit more than the rest.
Still love ya

FACULTY

BOARD OF EDUCATION

Frank Walker, Mrs. Lucy Oplinger, Lester J. Grant, Superintendent of Schools;
Otto C. Keil, President.

The Board of Education of Decatur High School District No. 61, like the thousands of other boards of education, is charged with the responsibility of seeing to it that a good common school education is provided for all the children of the district. The Board is the legal authority through which the people speak. It determines the policies under which the schools operate. The responsibility for carrying out the policies is delegated to the Superintendent who is employed by the Board. He also counsels with the Board in policy making.

Membership on the Board is a responsibility which requires much of those who serve. Decatur is fortunate to have members who can and do give willingly of their time, thought, and energy to provide the best possible schools for our community.

OUR PRINCIPAL

EDUCATION FOR ALL

Education for all people in the United States is right because all people in the United States count, regardless of race, color or creed.

D. A. R. AWARD

Each year an outstanding senior girl is honored by receiving the award presented by the National Society of Daughters of the American Revolution. She is then eligible, along with representatives of other Illinois high schools, for the drawing in which a state representative is selected to take a trip with all expenses paid to a convention in Washington, D. C.

LINCOLN ESSAY AWARD

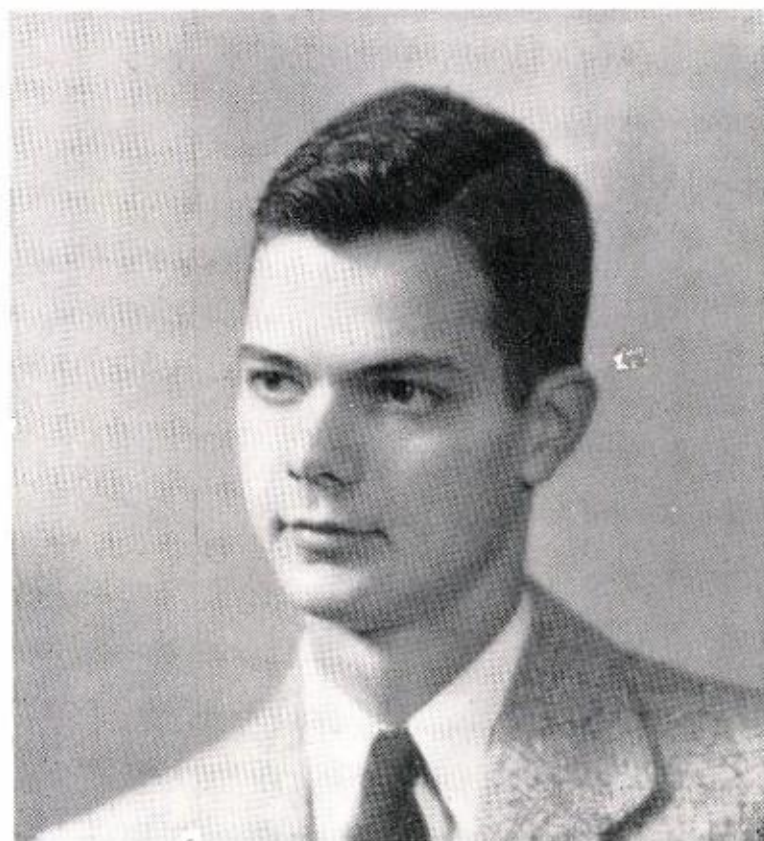

Mrs. Inez J. Bender, formerly a member of the Decatur School Board and one of the foremost civic leaders in Decatur's history, gave a sum of money to the school board before her death to establish a Lincoln Essay Contest in memory of her father, who was a great admirer of Lincoln. This money is divided equally between the boy and the girl from each year's

June Senior Class who write winning essays on Lincoln. These awards are presented to them at the June Commencement exercises.

The contestants are judged fifty per cent on the essay itself, twenty-five per cent on their ability to read it before the judges, and twenty-five per cent on their school citizenship.

IDA K. MARTIN AWARDS

All seniors except the Lincoln essay winners are eligible for the Martin awards. Mrs. Ida K. Martin in February, 1920, when she was national president of the Women's Relief Corps, gave \$1,000 to the Decatur Board of Education. The interest from this money supplies two prizes,

one for a boy and one for a girl. Those entering are graded upon the content and style of their essays, delivery, and citizenship. The essays may not exceed one thousand words and may be on any phase of patriotism.

MARY W. FRENCH AWARDS

This year Patricia Soelle and George Haikalis were honored with the Mary W. French awards. The recipients of these honors are chosen by the Faculty Cabinet. Miss French, for forty years a member of the Decatur High School faculty, presented \$1,000 to the school

to make possible these awards. She stipulated that those honored must have achieved more than high scholastic standing. They must have served the school in some outstanding manner, been good and loyal citizens of the school, and been active in the school organizations.

The organizations that Decatur High offers to each student are traditional. They reflect each student's individual interests and afford an opportunity for expressing themselves while working on committees, publications, and in music groups. The D. H. S. students are able to meet others interested in the same subjects and to develop friendships to be treasured for years. Some are the leaders, but all learn qualities and principles of good sportsmanship and fair play.

HOMECOMING

Homecoming at Decatur High was held on October 24, 1952. Festivities began with an assembly at which Joan Young was crowned queen to reign over the year's homecoming activities. In the evening a colorful parade, consisting of floats and cars decorated by members of D. H. S. organizations, went from the high school out to the football field. After the exciting game with the Quincy Blue Devils, resulting in a 26-0 rout for the Decatur Reds, a dance was held in the Armory.

FOOTBALL 1952

As the scores of the '52 season are recorded in the following paragraphs, take note of the continuous progress the Decatur High football forces made toward their goal. It was the good spirit of the entire team and each member's hard work, all under the fine supervision of winning coaches, that brought this community the first Big 12 title in the history of the Conference.

MOOSEHEART 26 — DECATUR 0

The Reds opened the season on the wrong foot against the Red Ramblers from the Child City. Both teams showed a very good defense in the first half of play, and they went to the dressing rooms scoreless. A touchdown pass, soon after the third quarter opened, broke the tension and the score. Fatigue set in the Decatur players and the much smaller and faster Mooseheart team had three more touchdowns by the

end of the game. In the line were Strongman, Fuson, Mueller, Moutray, Mitchell, Gordy, Oyler, Edwards, and in the backfield were Van Meter, Resler, Kraft, Wilson, Landram and Perry.

DECATUR 13 — BLOOMINGTON 6

Many fans left this game with a "we-could-have-done-better" feeling. It was evident that the Reds weren't too sure of themselves at times, because the game was marked with numerous penalties and untimely fumbles. Jim Van Meter and Don Kraft scored the first and second touchdowns of the season, and Joe Petrucha place-kicked the first point after touchdown. Kraft, Ted Edwards, and Jim Fuson handled the defensive chores well.

DECATUR 14 — MATTOON 0

Playing their first road game at Mattoon's Kinzel Field, the Reds showed their superiority in the quest of the Big 12 championship by wringing dry the Green

Wave, one of their oldest rivals. Don Kraft and Jim Perry scored touchdowns. Jo Petrucha kicked the extra points. The victory was brought about by precision timing of every player. It was the teamwork that was desperately needed but not found against Bloomington the week before. Jim Fuson, Larry Mueller, Jack Gordy, Ted Edwards, and Don Kraft were the workhorses on defense; while a well-balanced offensive unit led by Kirt Wilson was sparked by Jim Van Meter and Kraft each, who had a beautiful 40-yard run.

ST. LOUIS UNIVERSITY HIGH 19—DECATUR 0

The Junior Bilikins, paced by the accurate arm of Don Crimmins, handed the Reds their second non-conference defeat. It was quite evident that the Reds were only interested in dropping the Big 12 teams for they weren't at all fired up for this game. Driving Jim Van Meter didn't dress for the game in order to rest a weak ankle for the Springfield contest, and during the week of practice prior to this game the team was weakened by the loss of regular end, Jerry Strongman, who was forced from the lineup for the entire season with a split finger bone. Larry Coffey displayed some fine passing, completing four of eight passes for 56 yards, but not even that was enough to score on the team from St. Louis. Ted Edwards, Don Resler, Don Kraft, Dave Landram, and Don Stone turned in good defensive play.

DECATUR 47 — SPRINGFIELD 27

Jim "276 pounds of lineman" Fuson intercepted a Solon pass and ran with it 20 yards to the two yard line. This was the highlight of a complete rout of the capitol city boys in their own backyard. Perry, Van Meter, and Ford each scored once, while Kraft and Wilson counted twice apiece. A newcomer to the lineup, Dick Powell, was a standout on defense.

DECATUR 26 — URBANA 14

Playing on the road again, the Howe men turned in another top performance. The victims this time were the Urbana Tigers. Don Kraft displayed tremendous driving power and finished the night with three touchdowns and two extra points. He received much assistance from both Jim Perry and Kirt Wilson who gained consistently throughout the game. A hard-charging line deserves worthy credit for their gains. Up front were Oyler, Moss, Fuson, Moutray, Mueller, Gordy, and Resler.

DECATUR 26 — QUINCY 0

The Reds co-operated with the Student Council in staging one of the best homecomings in the history of the school. Larry Coffey, a junior halfback, hurled five completions in nine tries good for 140 yards and two touchdowns. On the receiving end for the touchdown passes were Jim Perry and Don Resler. Perry also executed the season's longest run from scrimmage which covered 65 yards and was good for a touchdown, while Resler scored again on a pass from Kraft. As indicated by the score, the defensive unit was successful in turning back the Blue Devils throughout the night. The two who scored the most in the tackling department were Dave Landram and Ted Edwards.

DECATUR 52 — LAMPHIER 6

Warming up for the title game against Streator, the Reds pounded Lamphier's Lions with their biggest offensive punch of the fall. The scoring column included Jerry Edmonston, three touchdowns; Don Kraft, two touchdowns; Dick Ford, Kirt Wilson, and Dave Landram with one touchdown apiece. Ron Wisher and Joe

MANAGERS

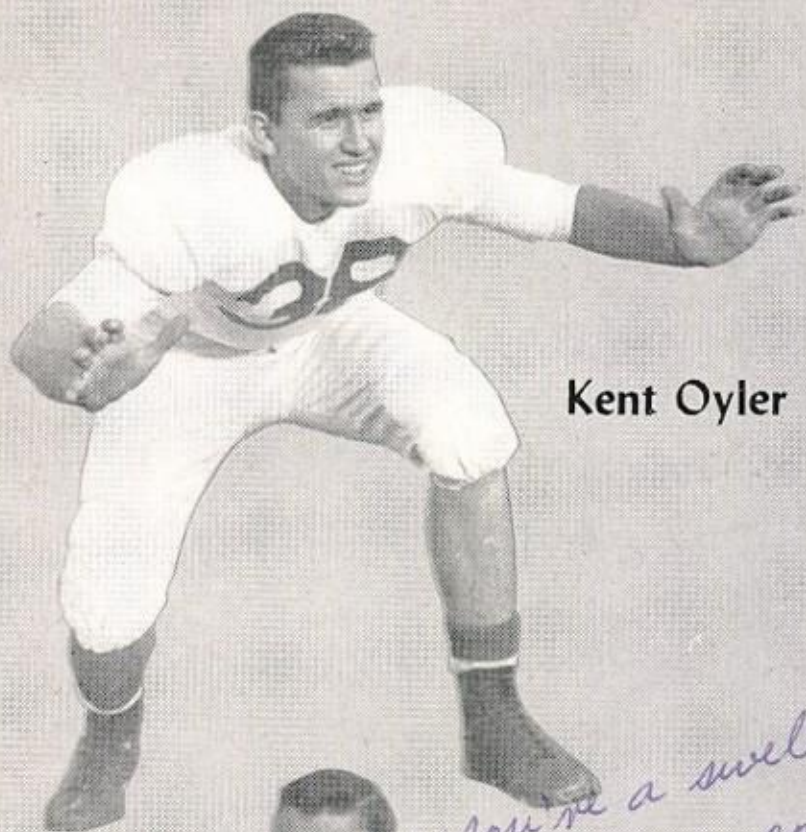

Chuck Engdale, Carroll Ney, Gib Maines

Petrucha each had two conversions. A couple of junior line-backers, Tom Oakson and Ted Edwards, played exceptionally well on defense.

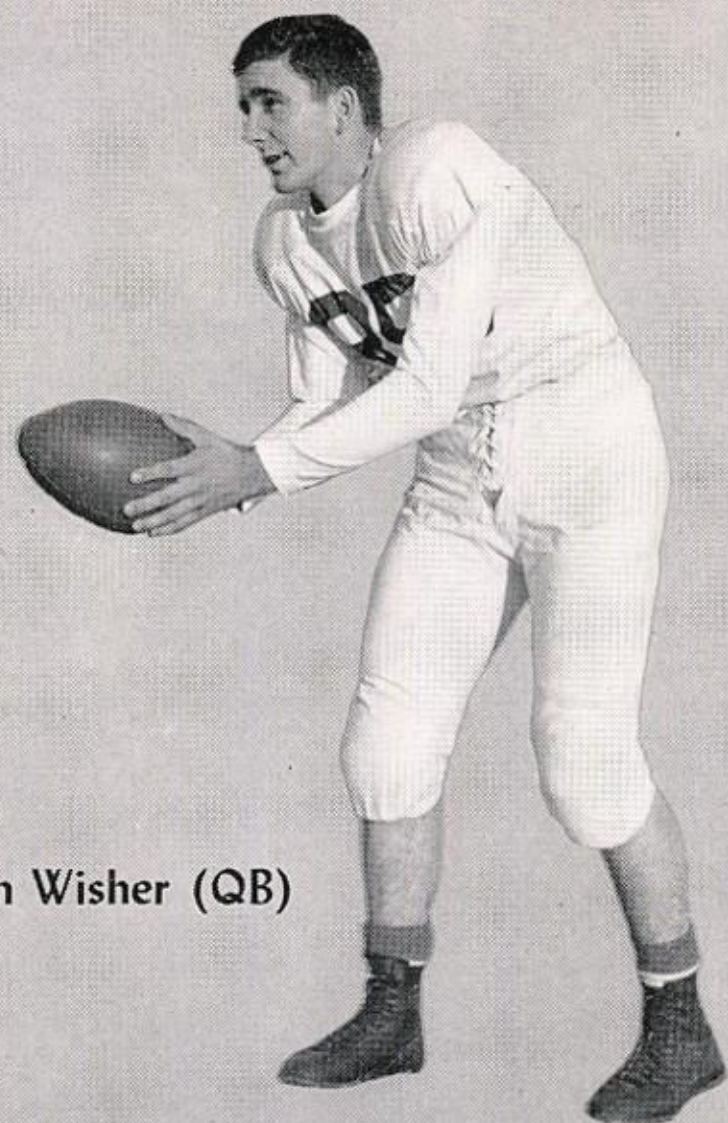

DECATUR 13 — STREATOR 13

Two power-packed single-wing offenses battled for a tie in the Big 12 Conference standings. It was the Reds' first title and Streator's third. On the first play after the initial kickoff, Jim Perry ran 31 yards to the Streator 41. Then with the combined gains of Jim Van Meter and Perry, Don Kraft plunged the last four yards for the score. Streator, picking up ground on an exchange of punts, scored soon after the second quarter opened; but the Reds, not to be denied, promptly marched 71 yards to regain the lead; and Kirt Wilson carried the ball over from the four with Kraft adding the extra point on a run. The third quarter was strictly defense. "Butch" Mueller snagged a Streator aerial to stave off an early fourth quarter threat by Streator; but a fourth down pass, which was taken barely inside the end line with 13 yards to go and only 3 minutes, 45 seconds left in the game, robbed the Reds of a clean cut of the title.

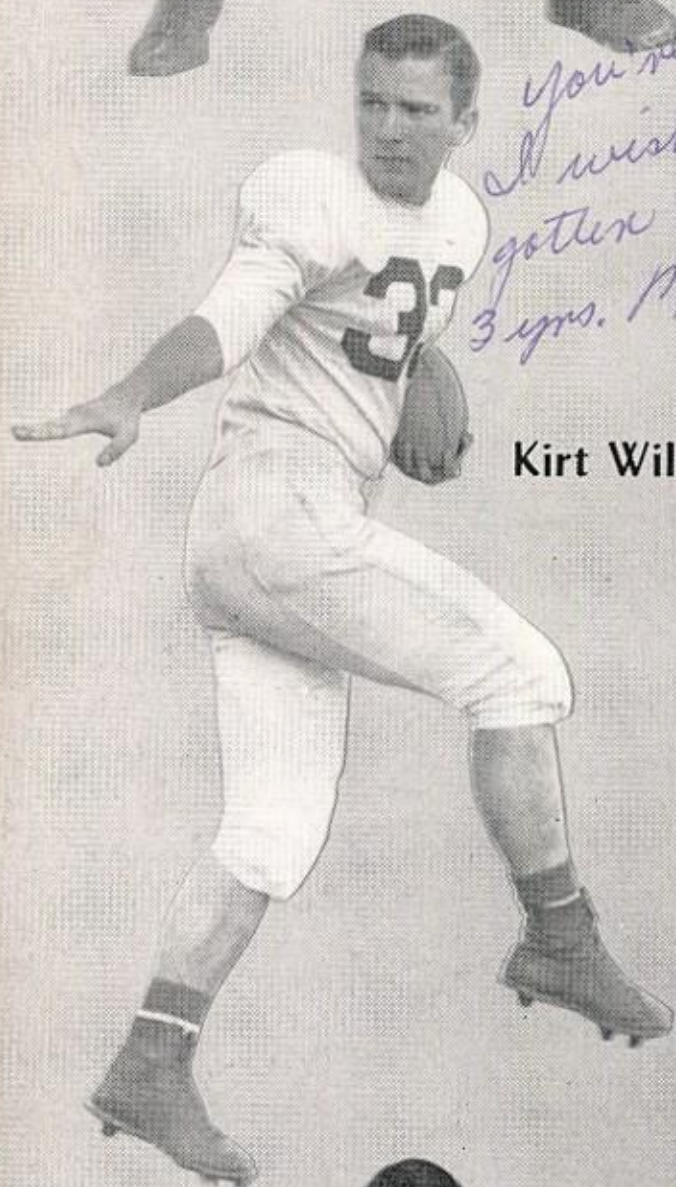

Much credit is due to the strong defense as well as the driving backs. The boys who spent the night making it rough for the Bulldog ball carriers were: ends—Resler, Oyler, and Edmonston; tackles—Gordy, Moss and Mitchell; guards—Mueller, Fuson, and Oakson; line-backers—Landram, Perry, Kraft, and Stone.

BASKETBALL 1952-1953

A look at the record does not tell all there is to tell about any team, the Decatur Reds included. Although their record is not as outstanding as it has been in the past, the hardwood court fans who followed the Reds from game to game saw only two games during the year that were lost by more than three baskets.

Decatur held a second place spot in the Big 12 Conference, and the Reds were the only Conference team to claim victories over both the co-champs, Bloomington and Peoria Central. The latter win was the highlight of the season and was over the team that grabbed second place in the State Tournament.

The pressure is off

Congratulations to the D. H. S. Graduates of 1953. You have earned the laurels bestowed upon you. . . . The pressure of getting that coveted sheepskin has been relieved. You've done your job well.

The A. W. CASH VALVE MANUFACTURING CORP. deals in pressure problems too. The Company manufactures a quality line of pressure relief valves, pressure reducing and regulating valves and strainers for home and industry. There is quite a difference between the pressure of final exams and the pressure of water, steam and air. However, both must be controlled and both must be properly relieved. It is Cash-Acme's job to produce the kind of equipment that will solve these pressure problems, and do it well.

Time! what an empty vapor 'tis!
And days, how swift they are:
Swift as an Indian arrow—
Fly on like a shooting star;

Then slides away in haste,
That we can never say they're ours,
But only say they're past.

To the Class of 1953

... our congratulations for your accomplishments and our best wishes for the future.

We of the Kane Engraving Co. are sincerely proud of the part we have been privileged to play in the production of this magnificent record of your final chapter at Decatur High.

After more than 25 years on the local scene, we find the thrill undiminished in watching one more class finish its high school career. Good luck!

Dear Thyl -

Well - the big day is almost here.
Then we won't be school kids any
more, but I still feel like one, don't you?

We couldn't possibly have had more
fun in these last 3 years. So many
^{things} have happened I couldn't begin to put
them down here, but you remember don't
you? How could you forget? Some of
those times at Bayle's & the Drive - In?
Best of luck & love to a extra-sweet
pal & sorority sister.

Love ya always,
"Irish"

THE END

Phyllis,
I'm really going to
miss you when we're out
of school. I hope we will still
run around together after we
graduate, and still be the best of
friends. We've really had a lot of
fun since 6TH grade, and I'll always
remember you. Love ya,
Pat Bandy

Phyllis -
Best of luck to
a swell gal! Here's
hoping you always
have a lot of fun and
don't ever change.
